THIS LEARNING BOOK BELONGS TO...

Read it. Trace it. Color it. Learn it!

A NOTE FOR GROWN-UPS

This book introduces 24 high-frequency beginner sight words.

Sight words are words children learn to recognize quickly,

helping early reading become smoother and more confident.

Say each word aloud. Let your child trace it with a finger,

then with a pencil or crayon. Read the short sentence together.

Repeat favorite pages often and celebrate every small success.

Recommended for ages 4-8 with adult support as needed.

LITTLE WORDS BUILD BIG READERS!

HOW TO USE EACH PAGE

1. SAY the big sight word.

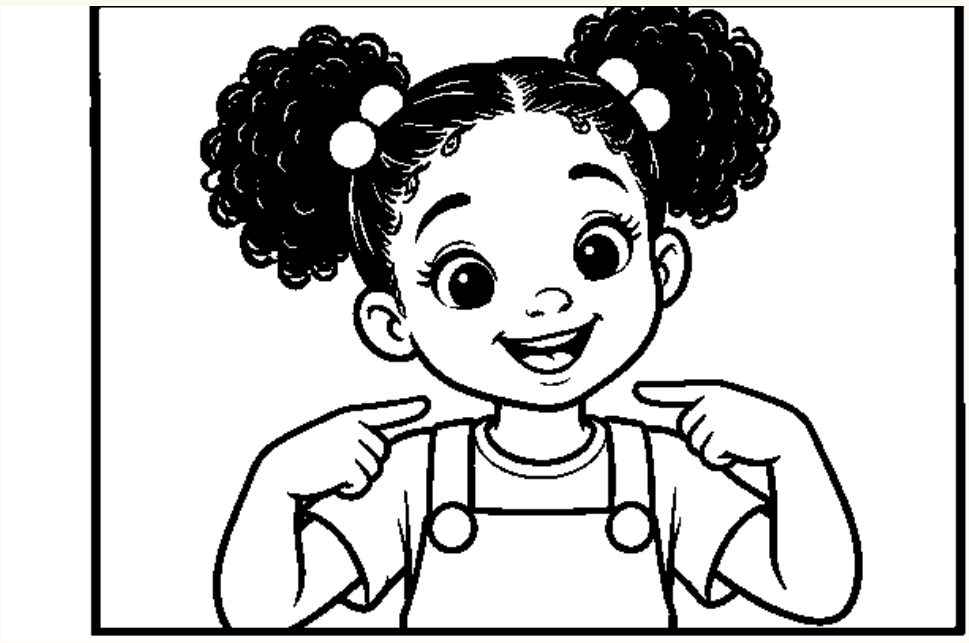

2. TRACE the dotted word.

3. COLOR the picture.

4. READ the sentence together.

5. WRITE the word one more time.
