
ALANNAH'S
SPOOKY BUT NOT TOO SPOOKY
HALLOWEEN
COLORING & ACTIVITY BOOK

THIS SPOOKY BOOK BELONGS TO...

Color, giggle, imagine, and have a happy Halloween!

A NOTE FOR GROWN-UPS

This gentle Halloween book is designed for ages 3-8.

Enjoy the coloring pages together and let children choose which friendly costumes and creatures feel comfortable.

For trick-or-treating: stay with a trusted grown-up, use sidewalks and crosswalks, carry a light, and check treats before eating. Costumes should fit well and allow clear vision.

Most of all: be kind, say thank you, and have fun!

SPARKLY, SILLY, COZY - NEVER TOO SPOOKY!
